ASL Interpreted Program

Critter Day

- Jungle Encounters -

Saturday, November 21, 2015

11:30 am and 12:30 pm

This program is free with paid Museum admission.

The health and population of wild cats teaches us about the entire animal kingdom. Learn about each species and their native habitat. Discover how their wild cousins survive.

**To protect the audience and to provide you with the safest best show possible, we can only allow kids ages 6 and up at this program.*

** Free tickets are distributed first-come, first-served one hour before each program.*
